

CHRISTMAS MESSAGE 2021/2022

Dear Customers, Business Partners and Friends of NTG

First of all we would like to thank you all for a fantastic cooperation during the last almost two years with the Covid-19 pandemic. It has been an extraordinary challenge and we are thankful that our cooperation with you also manages to handle situations like this.

As Christmas and New Year is closing in, we'd like to inform all our partners about departures and arrivals so that you and your clients can plan your shipments for the holiday period.

For the upcoming holidays, we want to remind all our customers to plan and book loadings or deliveries in a good ahead of time. Since we already know it's some extraordinary tough weeks to come with major challenges in the market regarding capacity and lack of drivers combined with high demand of transportation, we kindly ask you to understand that this will affect our availability.

We would like to emphasize that, if you need any special arrangements or there is any uncertainties about the below mentioned departures and arrivals, please contact your regular NTG contact person. NTG reserves the right to return in cases with additional costs if the requirements of the transport differs from the schedule provided below in this message.

Please see below for our planned departures and arrivals for the upcoming holiday period. As always we will prioritize you as a customer and do everything in our power to maintain a good service during this period of time. We would also like to remind you that if you have any special requests or are in need for express transports, please contact us - We can cover all of the world within the NTG Group!

We are looking forward to another upcoming year together with our clients, business partners and friends and we wish you all a successful coming 2022.

NTG Continent AB wishes you all a Merry Christmas and a Happy New Year
