

NTG Fuel Surcharge for International- and Domestic Road Transports

Valid for offers based on International quotes in EURO or SEK and Domestic quotes in SEK.

Fuel adjustment for the period **2019-09-07** to **2019-10-06**.

Total adjustment: 8,25%.

Fuel Surcharge is applicable on all markets serviced by NTG in Sweden and is stated separately in the invoice per individual shipment. The surcharge is variable and updated on a monthly basis and applies on all transport services, but not on additional services.

For further information please contact your local sales- or contact person.
